General Information

imb Please be sure of your dates of travel. Most flights to/from the U.S. arrive around midnight. We recommend that you arrive at the airport 4 hours before departure from Peru.

imb Please be careful when exchanging money. **PEOPLE ARE WATCHING.**

imb **FOOD.** In the restaurants in LIMA you can safely order salads and ice. Outside of the city of LIMA this is not a safe thing to do. **ALWAYS** use bottled or filtered water to drink and brush your teeth.

imb If you need to make reservations for an upcoming trip with the hostel/hotel in the area you are working please do that while you are in that area on a previous trip. We usually cannot get in touch with the outlying areas from Lima.

imb If you rent a vehicle, the charges are based on the time of day the vehicle is picked up.

imb If you rent a van with a driver you are responsible for the fuel, and the food and lodging for the driver.

imb We are constantly in the process of training interpreters for our teams. We have translator training 3 days a week here in Lima. Our translator training ministry seeks to evangelize and make disciples of translators. Although we would love if all of our interpreters had a personal relationship with Jesus this is sometimes not the case. Your help is needed in discipling our interpreters. If you are expecting every translator to have a vibrant, growing relationship with Christ you might be disappointed.

imb If you meet new friends in the provinces they may ask for your contact info. We suggest you not give your personal phone number and address. Email addresses are best.

imb **WE NEED INFORMATION FROM YOU AT THE END OF EVERY TRIP.** It is so important that we know information about your work. We have team members who try to get **EVALUATION AND INFORMATION FORMS** to you at the conclusion of every ministry trip. Please follow the directions on the forms.

imb **On the return trip to Lima, we need you to contact us with an approximate arrival time so we can make arrangements to meet you and collect any team equipment you may have and any money that needs to be paid for expenses.**

VACCINATION INFO

We recommend that all of your team members have a Yellow Fever Vaccination. **Bring this card with you.** Please consult your doctor for other vaccination information. This web site has great info. <http://www.imb.org/medinfo>
